Maximize AquaGLO Liquid Facials with Diamond-Abrasion

Diamond abrasion tips are considered most effective and precise for exfoliation and controlled abrasion

The new AquaDiamond™ tips + Aqua Glo liquid infusion and vacuum suction uniquely combines precise diamond abrasion with infusion of liquid solutions, anti-age mobilization, vacuum suction lifting and cleaning. Perform resurfacing, skin pore size reduction, removal of clogged skin debris and dead skin cells in a single pass.

The AquaDiamond™ box kit provide a choice of six (6) different diamond abrasion tips for different skin types and treatment conditions – from delicate and smooth skin rejuvenation to rough surface tips for deep acne scars.

AquaDiamond™ tips are reusable, safe to use and leave no abrasion particulate on the skin or in the air.

The AquaDiamond™ tips are the best choice for skin rejuvenation, precise exfoliation, abrasion revision and resurfacing.
